

SCHOOL NEWS

How would you like to help our school and not have it cost you a dime?

By forming an alliance with our good neighbor, Commerce Bank, we at Immaculate Conception School have discovered a great way for you to help our students. We are enrolled in Commerce Bank's Affinity Banking Program. This means that Commerce Bank will make an annual contribution to our school based on the annual average balances for *your* Commerce Checking, Saving, Money Market, Certificate for Deposit or Retirement Funds.

How do you sign up? If you are a Commerce customer, stop by the branch at 31-04 Ditmars Boulevard, or call 718-267-5100 and mention that you would like your balances included as part of Immaculate Conception's Affinity Membership Program. It's that simple!

And if you are not a Commerce customer, you can open a new account at our branch. Mention that you want it included as part of the Affinity Membership Program. Anyone opening a new account and coding it for Immaculate Conception will get \$25 deposited into that account!

Your participation is totally free and confidential. It should be noted **that no one will have access to any individual's account balance information nor will any deductions be taken from your accounts.** Also, be aware that only one account per household can be coded for Affinity Membership.

It's not necessary to have a student in the school to participate so ask your family and friends to join, too. Please help support Immaculate Conception School, the best little Catholic school in the heart of Astoria, and know that we appreciate your help. On behalf of the students, teachers, and parents of Immaculate Conception School, thank you!
