## Just The Two Of Us

A program for children 18-30 months and their caregivers

Immaculate Conception School is pleased to offer Just The Two Of Us, a program designed for children that are 18 months old (by December 2016) to 30 months. Through this program, toddlers learn the following skills: how to interact in a group environment, new songs, how to use their little hands to create a work of art, appropriate play, how to clean up, and how to be good listeners. They are also introduced to colors, shapes, and letters through our projects. Their growing takes place in a safe and inviting environment with a parent or caregiver by their side to help the learning process and provide support.

The program is offered on the following days (during holidays, the program is not in session):

**Tuesdays and/or Thursdays – 9:00am to 10:30am**
